THIS IS UNEVALUATED INFORMATION

50X1-HUM

1. at the College of Military Engineering, use military maps in teaching. a map of the country, broken up into numbered blocks ordered them from the Defense Department. The time required to get maps was variable, sometimes as long as three weeks.

50X1-HUM

2. The maps were delivered by a representative of Military Maps Service had to sign for them and return them at the end of each day. There was no policing of the use of the maps Regulations were strictly enforced but there was one regulation that could be considered dangerous. If the maps had been marked up during the day, the representative could destroy them.
